Giving is not just about making a donation.
It is about making a difference.

Our community makes a difference.

Poverty is Real

Poverty is not a “topic”. It is real people in real trouble. Yes! There is poverty in Lethbridge, and it is affecting people you know, right here, right now.

- People are choosing between paying rent and buying lunch for their kids because they can't do both.
- People are couch surfing, out in the elements, or worse, because they can't afford a room of their own for even one night.
- People walk kilometre after kilometre, everywhere they go, through heat, wind and rain and snow, because they cannot afford bus fare.

These are OUR people – Lethbridge people!

YOU help those struggling with poverty in your neighbourhood. Your donations make it possible for Streets Alive Mission to provide programs to lift people out of poverty and bring hope.

Streets Alive Mission is grateful for the faithful giving and generosity in our community. It is because of our gracious donors, sponsors and volunteers, that individuals and families are given HOPE. The impact of your support is immeasurable. We, as a community, are taking care of those in need.

Leave a Legacy

Planned gifts offer the donor the opportunity to support their charitable organization in a meaningful way without giving a large outright gift. Planned gifts offer substantial tax savings to donors especially on appreciated properties and securities. A planned gift can reduce income tax and avoid capital gains tax.

Every monthly gift provides:

- support on the streets
- food and clothing
- safety and warmth
- meaningful connections and relationships

Volunteers

The staff and clients of Streets Alive Mission thank all our volunteers for their dedication. Your gift of time is providing **hope** for the future – this gift is deeply appreciated.

Thank you!

Prayer Requests

We have a prayer team that meets on Monday mornings from 9:00 until 10:30 at Streets Alive Mission. This devoted team prays over each prayer request received.

Streets Alive Mission is planning to raise an estimated \$1,200,000 this year on fundraising campaigns. It will cost the organization an estimated \$149,000 to accomplish this. The money raised will be used to provide services for those struggling with poverty in our community.

THANK YOU FOR BRINGING HOPE FOR THE FUTURE TO OUR COMMUNITY.

HAPPY THANKSGIVING !

Aside from feed-corn, sugar beets and certain late-variety potatoes, the crops are in. The land has produced in abundance and can soon rest for a season. The irrigation canals will be mostly dry by the time you read this.

Next week will be a time of reflection and celebration for Southern Alberta farmers and city-folk alike. A time for togetherness and warmth. A shared meal with family and loved ones. A 'Rockwell moment', if you will...

All will appear well with the world, until we look at the news. The world is a mess, there is a war going on with casualties numbering in the tens-of-thousands. Canada has a number of challenges facing it, and in Lethbridge the concerns are inflation, rising interest rates and encampments. We have seen the number of homeless people on the street increase dramatically and are also seeing far more 'working poor' than at any time in the last thirty years. Inflation has affected

them as much as it has us, with the difference being that we can grumble about the rising costs of everything as we pay for our groceries, while they must make a decision at the grocery store as to what to buy, and what to put back on the shelf. These are tough times for more people than we've seen in a long time.

We here at Streets Alive Mission are truly thankful for all the donors who support God's people out on the street, people in recovery, people in need. People in need of Jesus Christ as their personal Lord and Savior as well as a sandwich and an encouraging word.

We wish everyone a Blessed Thanksgiving.

God has provided abundantly. What will you do with your abundance?
