Thank You!

Rule Breakers and Earth Shakers

The '88 Mets. The '92 USA Olympic Men's Basketball Team. The '27 Yankees. You may recognize these as famous dream teams, ones that made history. **Did you know that you too are part of a dream team?**

Seriously, I mean it! We were made for each other. We're both out here, making history and upending expectations. When Streets Alive Mission first started out, I doubt anyone foresaw where we would be over 30 years later. **We could never have achieved that vision without you**, our incredible donors.

We know that through God, all things are possible. Whether you've just joined us or have been with us since the beginning, you've turned a vision of bringing hope to the hopeless into a reality. You've turned a small drop-in centre in 1990 into several recovery homes, a warehouse, a central mission with multiple programs, and ultimately **thousands of lives reached with the hope and love that only the Gospel can provide.**

As we go forward into the next stage of growth, we do so humbled by your continued support and with a deep well of gratitude. We're looking to be here for the long run, making decisions to ensure the future of the ministry is secure. Thank you for trusting us with your precious resources. Thank you for believing in the work we are called to do. Thank you for always being there when we need you.

Why do you support Streets Alive Mission?

Here's what one of our monthly donors said...

"We felt led to give to our local mission to help people who are struggling. Jesus loves all of us and we want to be obedient to Him to show that love. We are thankful for all the work that Streets Alive does in the city."

We love because He first loved us.

Donors give *through* us, not *to* us.

Thank you for empowering life change

Thank You!

At Streets Alive Mission, we believe in breaking the mold and going beyond what is expected of a nonprofit. This year, as "Rule Breakers," we have reached more people and built an even stronger community of supporters.

Because of you, we have been able to provide essential services and care to those in need in Lethbridge. Your generosity has empowered individuals to regain their dignity and rebuild their lives.

Together, we are not just meeting needs; we are bringing hope.

Thank you for being an essential part of our mission!

Streets Alive Mission is planning to raise an estimated \$1,500,000 this year via fundraising campaigns. It will cost the organization an estimated \$149,000 to accomplish this. The money raised will be used to provide services for those struggling with poverty in our community.

THANK YOU FOR BRINGING HOPE FOR THE FUTURE TO OUR COMMUNITY.
