Spring 2025

There Is No Time Like Spring

*"There is no time like Spring,
When life's alive in everything,
Before new nestlings sing,
Before cleft swallows speed their journey back
Along the trackless track -
God guides their wing,
He spreads their table that they nothing lack..."*

Christina Rossetti

There really is no time like spring. You can feel it, can't you? The shift in the air when winter breaks, and you know that even though it might get chilly again and it's definitely going to snow a couple more times, we're out of the worst of it and headed towards the sunshine.

I live for that moment. It feels like the entire earth just takes a deep breath. **All of that new life, alive in everything, you see it everywhere.** And once you do, you can't stop. New grass, new buds on trees, new flowers, God spreading our table that we nothing lack.

It can be difficult to keep that trust in God through the winter. Looking out at a desolate landscape, devoid of life, it can be almost impossible to believe that spring will ever appear again. **The circumstances of our lives ebb and flow, from frozen tundra to flowered meadow, but God is constant.** He spreads our table.

He is Risen!

Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.
