Fall 2025

Turning Over New Leaves

Fall has always felt like a fresh start. Growing up, autumn marked new possibilities— summer ends and a new school year begins. Even in adulthood, this seasonal shift continues. Leaves change, the air grows crisp, and as we trade swimsuits for sweaters, an inward warmth begins to grow. **While there's sadness in summer's end, it's met with exciting anticipation for fall's beauty.**

A Step Towards Coming Home

Endings are a beautiful part of change. We must release the past to step into an exciting future. Like leaves changing color, God transforms us as we grow with Him. Like trees, we must let go of the old to embrace the new life He offers. **As 2 Corinthians 5:17 reminds us: "The old has gone, the new is here!"**

You are a part of transformation. God has sent you as an answer to prayer, empowering life change. Because of you, we have a wonderful future home where we will reach more hearts. Because of you, people are discovering their inherent value and seeking sobriety. Because of you, recovery program residents are connecting with their families for the first time in years.

Each beautiful outcome required leaving something behind: our familiar old building, destructive lies, addiction's false highs. **Not all endings are sad and dark—these lead to beauty, hope, and love.**

Thank you for making these changes real. Thank you for supporting us as we turn over new leaves. Thank you for bringing hope.

Thank You

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.

OUR OUTREACH TRAILER

This July, our Takin' It To The Streets program launched a temporary outreach trailer at the site of our future home, reaching people where help is most needed. Our dedicated staff have been on the frontlines, offering water, snacks, referrals, prayer, and a safe place for real conversation.

"This is way better having you here, where we are, instead of all the way downtown."
