

# EMPOWERING PEOPLE

He is  
Risen!

## HERE COMES THE SUN

Spring is here at last — bringing longer days, fresh beginnings, and the promise of new life. As we see creation come alive again, **we're reminded of Jesus' resurrection and the gift of eternal life that guides our mission every day.** Darkness has been defeated, and the light brings hope.

This year, we're especially grateful as we continue to grow into our new facility, which became our Mission Services home in November 2025. The impact has been remarkable. **We are now serving more individuals each day than ever before,** meeting practical needs while offering spiritual hope.

**Our RePurpose Donation Centre has also settled in,** providing a steady stream of support—both through the generous items donors bring in and the essential resources shared with those who come to us in need.

**Every person we meet is a chance to reflect Christ's light a little farther.** With each step into places where darkness once stood, we aim to shine that unwavering light.

Your generosity—your time, your gifts, and your faithful prayers—makes this work possible. **Lives are being changed every day because of your support.** As we step into this new season of ministry, your partnership helps carry the light of the Gospel into brighter days ahead.

*Thank you!*

READY TO BRING HOPE?

The light of Christ's love is reaching hearts once lost in darkness.

Your continued support keeps that light shining and brings hope to the hopeless.

A HOME FOR MISSION SERVICES

After years of prayer, planning, and incredible community support, Streets Alive Mission is excited to share that Mission Services has a new home! Since opening in late November 2025, our new facility at 711 2A Avenue North, Lethbridge has already helped us serve even more people in need.

Pastor Ken shared the core of the new facility, "We put ourselves in the heart of where the hopelessness is, to bring hope to those who have none." That hope is what shines through every day as the light of Christ reaches into some of the darkest parts of our city.

Because of your support, lives are being changed. Thank you to every donor, volunteer, partner, and friend who made this dream possible.

You can take a virtual walkthrough of our new building on our YouTube channel (scan the QR code below) to see how your generosity is bringing hope.

We're celebrating the first phase of our Coming Home Campaign—but the journey continues. Visit StreetsAlive.ca to see what's next, including the new Life Recovery Centre and expanded Exodus Men's Life Recovery housing.

## HOPE IN ACTION: TAKIN' IT TO THE STREETS

An interview with Streets Alive Mission staff member, Donald Gateretse

**Q: What does the Takin' It to the Streets team do?**

**A: Jesus came to seek and save, so we go out and seek those who are scattered around, who are homeless, who are hopeless. We go out and give them hope. Help them with what they need, like food, like clothes, like encouragement, and the Word of God.**

**Q: What does bringing hope mean to you?**

**A: They are people who got rejected by their families, by their neighbourhood, and their friends. To bring hope and reach them is to show them that there are people who love them. Not only because we are people who love people, but we have been sent by Jesus to show them compassion and tell them that Jesus still loves them. That His mercies and goodness are still running behind them.**
